Attendee: _____

Program Number: C048-031710

Program Title: Managing Resources

Speaker/Program Description: Robert Zoller

This presentation will help you improve your resource management skills so you are better able to defend yourself and your team from overload. You will learn to better predict and prevent resource overloads on your project teams and to juggle priorities as you handle multiple projects. Resource management issues will be surveyed, and a panel will conduct a Q&A session to give you practical tips you can use in your organization.
